

Industry Preparation Program - Pilot

January 2022

To prepare Women for Industry Opportunities, the University College of the North (UCN), in partnership with Workplace Education Manitoba (WEM) and Northern Manitoba Sector Council (NMSC), is offering Industry Preparation Program in Northern Manitoba.

PROGRAM OUTCOME:

This pilot program will provide employment opportunities in a variety of industries including mining, forestry and power while decreasing skill shortages in Northern Manitoba.

TRAINING INCLUDES:

- Essential Skills to prepare for Industry
- Pre-Employment Assessments
- Communicating in the Workplace
- Developing a Safety Mindset
- Occupational Health & Safety
- Hazard Identification
- WHMIS 2015
- First Aid
- Hand Tools/Power Tools
- Fall Protection
- Skid Steer Operation
- Fire Extinguisher

Students' interest and motivation to work in Industry will be the primary determinants of admission into this UCN program.

LOCATION: Flin Flon
DATE (approx. January 24 – April 8, 2022)
ELIGIBILITY: Female residents of Northern Manitoba in receipt of EI, EIA or underemployed.
CONTACT: Lori Simon C 204.271.2684 E lsimon@nmscouncil.ca

DEADLINE to Apply: December 7, 2021

Program tuition, course materials and personal protective equipment will be provided.
Meals, transportation, and accommodations are the students' responsibility.

Funding provided by:
The Government of Canada
The Manitoba Government

UCN continues to closely monitor the COVID-19 threat to our staff and students. While we manage this, we must remember that UCN's business is educating students, and we remain dedicated to this business and our students.

Effective November 1, 2021, proof of full vaccination will be required to enter any UCN facility.
